finers are being offered oil at Burk- six feet in the sand. The foyalty in the Pine Island field of Louisi-burnett that is rich in gasoline and is on the Slayden tract sold for \$8,000 and, getting a well that made 3,100 urnett that is rich in gasoline and is valiable in large quantities! There is a production of nearly

Burkburnett to any refinery in Okla-toma and is in effect right now. Offsetting the Wagner-Merrin Some of the wide-awake refiners treet, the Texas & Pacific Coal

were early on the grounds and made has four wells on the Brewer farmarrangements for a supply of oil that which are averaging a little better was satisfactory. It has now become necessary to store oil outside output being 125,000 barrels. the townsite, and this can easily be Allen G. Fraser, president of the accomplished by building lines and Fort Worth Oil Exchange has pur-loading racks and with good tank-chased a one-fourth interest in the

finers and is being offered at a most opportune time. It will give the refiner a supply of high-grade oil for spaceline and this, with the lower grade crude offered by pipe lines, will anderson tract, near the well is said

speed.

The oil from storage will doubtless make extra good fuel oil and 500 Oil Producers Endorse Move to

per acre.
The second best producer in the its 88 acre lease that the field is the well of Warren west of No. 1 s. 30,000 barrels on the sownsite and Ranger field is the well of Warren adjacent lots and 140 wells drilling. Wagner on the Merriman tract, within sight of the center of that southwest of the city. The August town. The rate is 22 ½ cents from run for this well was 65,000 bartion north of No. 2.

Offsetting the Wagner-Merriman

car service the surplus oil can be kept R. A. Madding tract of 534 acres in cleared up.

It all works out nicely for the re-tract offsets the Roper farm upon

doubtless keep things going at full to have changed hands for \$500 per speed.

Now that Tuisa has demonstrated its ability to take care of a convention of the largest size, it is no longer to be left out of the reckoning when oil men are selecting a town for one of the big conventions.

There will be a large number of western oil men, refiners and mark the line of the big conventions.

There will be a large number of western oil men, refiners and mark the line of the line of the big conventions.

There will be a large number of western oil men, refiners and mark the line of the big conventions.

There will be a large number of western oil men, refiners and mark the line of the big conventions.

There will be a large number of western oil men, refiners and mark the line of the big conventions.

There will be a large number of western oil men, refiners and mark the line of the big conventions.

There will be a large number of western oil men, refiners and mark the line of discussion at the rooms of the tank car takes the fuel to its of and tank car takes the fuel to its of a place to learn. A carwass has tank oil to fall back on the refiner by justified in taking large contracts.

The pipe line runs for August producer in the larger field is the Prairie oil and was place to learn. A carwass has tank oil to fall back on the refiner by justified in taking large contracts.

The pipe line runs for August producer in the larger field is the Prairie oil and the particul school.

The question as to whether the oil the best possible service to the in dustries depending on fuel oil for the tank car takes the fuel to its oil and tank car takes the fuel to its oil and tank car takes the fuel to its oil and tank car takes the fuel to its oil and tank car takes the fuel to its oil and tank car takes the fuel to its oil and tank car takes the fuel to its oil and tank car takes the fuel to its oil and tank car takes the fuel to its oil and tank car takes the fuel to its oil and tank car takes the fuel to its oil and tank car takes the fuel to its oil and tan ing laying of pipe lines of all kinds, acetylene welding, auto truck driv-ing and repair and construction of

kinds of lease equipment. With such a school located in the vicinity of Red Fork of West Tulsa, where thousands of wells are easily accessible, as well as being conven-lent to the largest refineries in the middle west, with the use of dem-onstration trucks, all kinds of field onstrations could be easily car-

The bureau of mines at Washing on, D. C., have expressed their wil-ngness to co-operate, the Okla-oma State School of Mines at Wilburton being at present abandoned with proper support federal as well as state aid could be gutten. The school could be the clearing house

for employer and employe.

To keep the school free from personal and political influence, an organization would be formed with its To keep the school free from personal and political influence, an organization would be formed with its patyons supporters and sympathizers as members all on an equal basis. The united support of everyone interested in the oil and gas business is necessary to success. It has been suggested that a meeting be called for the purpose of organization and all the oil and gas producers, as well as those in any way interested, are requested to call this matter to the attention of their friends and acquaintances and fill out the blank below and mall it to Postoffice box 1951, Tulsa, Okla.

Will you attend organization meetg? Yes. No. How many people will you bring the meeting?

Dividend.

The Sammies Oil Corporation has seclared a three per cent dividend is the second dividend since May. The company has just completed i well, its No. 2, in the Pine Island field of Louisiana which is good for 300 barrels. Three other wells are

Slaughter in Stove Prices

Notwithstanding the fact that every range in this store would cost us today over 20% more, we are offering them at a reduction of 15% from the prices they are marked, which represents the before-the-war price.

Garland, Peninsular

(All Standard Makes)

Quite a number of customers have taken advantage of this offer and the stock is being reduced. Yet we still have about thirty fine ranges to go till the price advances to present-day cost.

Our Ranges (all cabinet styles) from \$35.00 to \$110.00 less the 15 per cent. Don't wait any longer. Now is the time and HERE is the place. OUR STOCK OF HEATERS IS COMPLETE. Priced from \$2 to \$45

Tulsa's Favorité Hardware Store.

Mr. Sporting Man, read this: Squirrels are barking at you, ducks are coming this way and this is a sample of our prices:

Remington Automatic Guns, priced everywhere \$52.00, our price \$44.50. Winchester Hammerless Pump, priced everywhere \$42.50, our price \$37.80. Ammunition of all calibres and loads at special prices. We sell hunting licenses.
